

### Goals

### Self-Regulated Learning

**1**

An online SRL module that instructors can adapt and integrate in their courses

**2**

Enhance relationships among university members

**3**

Help increase student retention, success, and satisfaction

"The strategic control of thoughts, actions, and motivations to achieve personal goals and adaptively respond to environmental demands." Zimmerman, 2008

### What is the module?

Integrated in courses

### Practical Participatory Evaluation

"The core premise of P-PE is that stakeholder participation will enhance evaluation relevance, ownership and utilization."  
Cousins and Whitmore, 1998

What resources are needed?

- Document review

How do instructors perceive the modules?

- Questionnaires, focus groups

How many students use the modules?

- Usage statistics

How do students perceive the modules?

- Questionnaires, focus groups

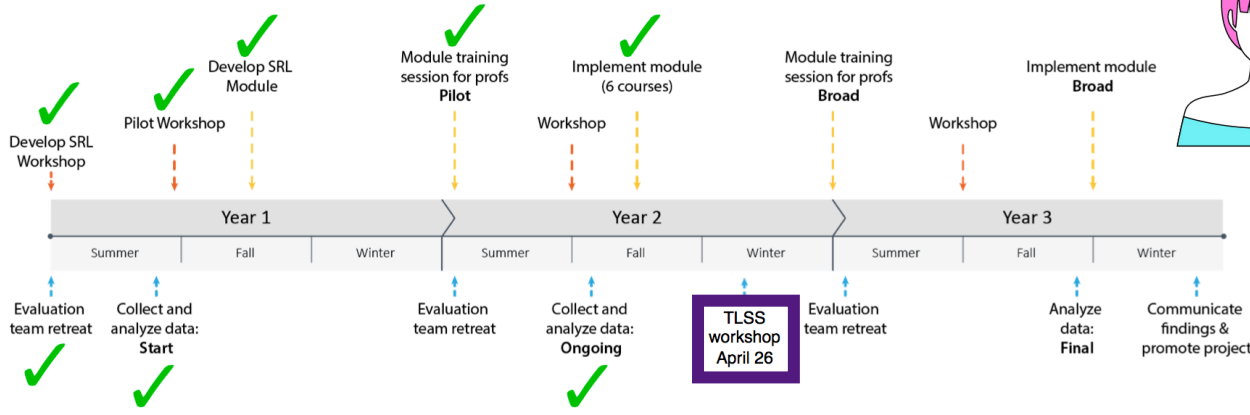

To what extent do students achieve the modules' learning outcomes?

- Student assessment records

What elements can be transferred across disciplines?

- Faculty and student questionnaires

### Project timeline

This section was uncomfortable for me at first. It was hard to write down the things I wasn't good at. I was really glad I did it though, because later in the module, I made a plan to improve those things.
